IN MEMORY OF CHRISTA MCAULIFFE AND THE CREW OF THE CHALLENGER.

Reaching for the stars, which we are doing,
 as we leave our Senior year to become adults.

Christa's dream is our future,
 she was the link in bridging the gap between our generation and
 hers.

She will be sadly missed,
 not only by her students, but by many others as well.

It may have been a tragedy, but I feel it will become,
 a triumph for our generation, because we will have
 learned from this experience.

I feel she would not want us to quit, but to continue with our future.
 If our ancestors would have quit after a tragedy,
 we would not be where we are today.

— Shelli Warnecke

"I cannot join the space program and restart my life as an astronaut,
 but this opportunity to connect my abilities as an educator with my
 interest in history and space is a unique opportunity to fulfill my early
 fantasies. I watched the Space Age being born and I would like to
 participate" — Christa McAuliffe — from her application to NASA

SENIOR ROYALTY

Once again, males were added to this year's Homecoming Court. It was a pleasant night for Mark Korte and Kelly Heitmeyer to reign as King and Queen over our annual Homecoming.

The theme for this year, decided on by the Student Council, was Horror Movies. The junior class took first place in the float building contest with their version of the movie "Jaws." The senior class took second place, the freshman class took third place, and the sophomore class took fourth place.

The first day of our freshman year
We all came to school with a lot to fear;
Freshman initiation and being last in line,
Were some of the worries we had in our mind.

Our sophomore year was lots of fun,
Time to get our license and be on the run.
Our boy's j.v. basketball team went 20 and 0,
Watch out Titans, they're on the go.

Our high school years are going by so fast,
The first two years are now in the past.
We can only look forward to the years to come,
Where we're all together having fun.

As juniors we worked on prom together,
Giving the seniors a night to remember.
We all got excited as May grew near,
For we would finally be seniors the following year.

In the Summer of '85
It was our turn to come alive.
We showed our stuff in our previous years,
Now it's time to be sincere.

SONG:

- _____ 1. Climb Every Mountain
- ✓ _____ 2. That's What Friends Are For
- _____ 3. Still the Same
- _____ 4. The Greatest Love Of All

MOTTO:

- ✓ _____ 1. As the day ends so begins the hopes and dreams of tomorrow.
- _____ 2. Life's a portrait, paint it well.
- _____ 3. We were put here on this earth not to see through each other, but to see each other through.
- _____ 4. Never forget yesterday, for that is what shapes tomorrow.

Our basketball team had a great season,
As they became "WBL Champions"
We all worked hard on our Senior play,
As the "Sound of Music" brightened the day.

Our Senior year is time for the last,
The last of many things, it came so fast.
No more great times with the whole class together,
Only the past and the memories to treasure.

As graduation day draws near,
The memories of the past bring a tear.
As friends separate and go their own way,
Off to meet many new friends each day.

As we walk through the doors with our final "Good-Bye"
We leave with a smile, but a tear in our eye.
Our high school years are finally gone,
It's time to face the world, one on one.

Outstanding Seniors Lead Class of '86

The graduating class of 1986 brought their final year to a close on June 1, 1986, at Ottawa-Glandorf High School. We studied hard to make it through all the tough tests and exams. It took plenty of hard work to do so. Now we are ready for what the future holds for each one of us.

We will never forget all the fond memories we have shared together, like prom, homecoming, our class play "The Sound of Music", Cabaret, our class trip to Cedar Point, and all the good and bad times. We all stuck together to work things out when times were rough. We can look back and realize how special our class was and how we made our final year the best it could ever be.

SCHOLASTIC BOWL

The Scholastic Bowl is a small competitive group of students from all four high school classes who are interested in furthering their individual academic achievements. Members of the team are chosen because of their intellectual ability and their skill in the quick recall of information. Each member must study on his own in order to reach the necessary scholastic level required to win against opposing teams. Meets are held against similar groups around the country and northwestern Ohio. Scheduled meets are held regularly throughout the year in which our team competes against the other nine county teams, culminating in the final county-wide competition in the spring.

O-G TEACHER OF THE YEAR

During the 1985-86 school year, Mrs. W. Jean Daniel was chosen as the Teacher of the Year. She has taught in the O-G system for the past five years. She previously taught Findlay High School and Sandusky St. Mary's Central Catholic High School.

Mrs. Daniel taught German I, II, and III this year at the high school, and also taught a one semester introductory German course at both elementary schools. She is the advisor of the German Club.

"My objective as a German teacher is to help students become more aware of and appreciative of the global community in which we live. Relatively few students have the opportunity to visit a foreign land and obtain first-hand knowledge of the culture and people of that land. Through classroom study and participation in student exchange programs, I try to encourage an understanding of and tolerance of customs which may be very different from our own. I am particularly pleased with the many friendships which have come about as a result of the Friendship Connection student exchange program."

O-G PASSES LEVIES AND STATE INSPECTION

ISSUE

5. 3.7 mills **EMERGENCY OPERATING RENEWAL LEVY** will raise \$278,457.00 per year for each of the 5 years.

These funds will be used to meet current operating expenses for the O-G School District.

ISSUE

6. 2.3 mills **EMERGENCY OPERATING RENEWAL LEVY** will raise \$173,406.00 per year for each of the 5 years.

These funds will be used to meet current operating expenses for the O-G School District.

ISSUES 5 & 6
WILL BE USED
FOR:

A. General Operation
of the School District.
Such as:

- Textbooks
- General Supplies
- Personnel Costs
- Educational Equipment
- Utilities
- Equipment Replacement

B. To Maintain the
Current Quality
Educational Programs
for the Students of
the O-G School
District.

ISSUES 5 and 6 WILL NOT INCREASE YOUR TAXES FOR SCHOOL OPERATION

Mr. Brian Bonner waits for next teacher.

Mr. Pfahler gets "inspected" by Mr. Brian Bonner from the State Department of Education.

During the 1985-1986 school year, the Ottawa-Glandorf Schools were evaluated by the State Department of Education. This evaluation was a comprehensive inspection of the total Kindergarten through 12 program. This inspection was based upon the new state standards that had recently been implemented. This state evaluation was comprehensive in the fact that it covered all levels and all areas of the school operation. This is the first time for such an inspection.
